

Mighty Jesus

The Neverclaim

Communion with the
living God

Is what I'm longing for

His presence is more
priceless than all
things

And at my broken
heart he stands

Knocking at the door

I'll let Him in and see

CHORUS: Mighty
Jesus, rock of
salvation

When all else is
shifting sand

It's on you alone I
stand

Is on you alone I stand

My hope relies on
nothing else

Then what is from
above

All earthly treasures it
has let me down

So I'll forsake all else
but you

And cling to this great
love

Rejoicing in a song
that we'll resound

Mighty Jesus, rock of
salvation

When all else is
shifting sand

It's on you alone I
stand

Is on you alone I stand

Oh precious Jesus, you
are my treasure

And nothing else I find
my hope

Is in you and you alone

Is in you and you alone

Upon the solid rock

I will stand, I will stand

On you and you alone

I will stand, I will stand

When everything
around falls apart, falls
apart

I will stand, yes I will
stand

Upon a solid rock

I will stand, I will stand
yes

On you and you alone

I will stand, I will stand

When everything
around falls apart, falls
apart

And I will stand, yes I
will stand
